#### 4. Procedure

**Day -1 (March 23<sup>rd</sup>):** On the day before the competition, contestants will be welcomed on the stand by the members of the jury. A briefing about the organization of the competition and the safety rules will be arranged.

Due to the large number of registered contestants, the competition will be organized in two groups. Contestants from a same delegation will inevitably be placed in the same group. Contestants will draw lots to be assigned to a work place where they may drop off their tools. For safety and fairness reasons, the jury will perform an inspection of each contestant's personal tools. The jury has the final decision-making power in authorizing or forbidding the use of these tools.
